Independent Auditor's Report

To the Board of Directors
Sunrise Children's Foundation

Report on the Financial Statements

We have audited the accompanying financial statements of Sunrise Children's Foundation (a nonprofit organization) which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Sunrise Children's Foundation as of June 30, 2017 and 2016, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Our audits were conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audits of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated November 17, 2017 on our consideration of Sunrise Children's Foundation's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance, and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering Sunrise Children's Foundation's internal control over financial reporting and compliance.

SUNRISE CHILDREN'S FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS
JUNE 30, 2017 AND 2016

NOTE 1 – NATURE OF ORGANIZATION

Sunrise Children's Foundation (the Foundation) is a nonprofit organization, serving residents of Clark County, Nevada. The Foundation is dedicated to helping children fulfill their potential of safe, healthy and educated lives. The majority of revenue is obtained through government grants, fees and reimbursements. The activities of the Foundation are described below:

Early Head Start (EHS) – recognizes the importance of the development that occurs in the first three years of life and actively works in partnership with families and community to promote the healthy growth and development of children from low-income families.

Women, Infants and Children (WIC) – is a federally funded program operated by the Nevada State Health Division. The Foundation currently operates five WIC clinics throughout Clark County. The clinics provide a supplemental nutrition program for women, infants and children.

Home Instruction Program for Preschool Youngsters (HIPPY) – is a parent involvement, school readiness program that helps parents prepare their preschool age children for success in school and beyond.

Maternal and Infant Early Childhood Home Visiting (MIECHV) – targets at-risk communities through two evidence-based home visiting programs that support healthy child development and ensures the safety of young children from birth to five years of age as well as family members.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

This summary of significant accounting policies of Sunrise Children's Foundation is presented to assist in understanding the Foundation's financial statements. The financial statements and notes are representations of the Foundation's management, which is responsible for their integrity and objectivity. These accounting policies conform to accounting principles generally accepted in the United States of America and have been consistently applied in the preparation of the financial statements.

Basis of Accounting

The financial statements of the Foundation have been prepared on the accrual basis of accounting and accordingly reflect all significant receivables, payables, and other liabilities.

Basis of Presentation

The accompanying financial statements have been presented in accordance with accounting principles generally accepted in the United States of America applicable to not-for-profit organizations, principally Accounting Standards Codification (ASC) 958, *Not-for-Profit Entities*. Under ASC 958, the Foundation is required to report information regarding its financial position and changes in financial position according to three classes of net assets; unrestricted net assets, temporarily restricted net assets and permanently restricted net assets.

Estimates

The preparation of financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and judgments that affect the reported amounts of assets, liabilities, revenues and expenses. Accordingly, actual results could differ from those estimates.

SUNRISE CHILDREN'S FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2017 AND 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Cash and Cash Equivalents

For the purpose of the statement of cash flows, the Foundation considers all highly liquid investments available for current use within an original maturity of three months or less to be cash equivalents.

The Foundation has concentrated its credit risk for cash by maintaining deposits in financial institutions, which at times may exceed amounts covered by insurance provided by the U.S. Federal Deposit Insurance Corporation (FDIC). The Foundation has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk to cash.

Grants Receivable

Grant revenues are recorded as they are earned, according to the provisions of the grant. Normally, grant revenues are earned and received as the grant period progresses. The provisions of the grant determine the timing of revenue recognition. The Foundation does not anticipate any collection losses with respect to the receivable balance. As of June 30, 2017 and 2016, no allowance for doubtful accounts was deemed necessary.

Inventory

Inventory, which consists of program supplies held in storage and not yet placed in service, is valued at the lower of cost or market value. Donated items are recorded at estimated fair value at the date of donation.

Property and Equipment

The Foundation capitalizes all significant expenditures for property and equipment at cost. The threshold for capitalization is \$5,000. Property and equipment that are contributed to the Foundation are recorded at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method over the estimated useful lives of the assets, which range between five to fifteen years. Due to grant restrictions, the Foundation may be required to obtain prior approval before disposing of any material fixed assets that have been purchased with grant funds.

Contributed Materials and Services

Generally, donated materials, if significant in amount, are recorded at their fair market value, provided the Foundation has a clearly measurable and objective basis for determining the value. In the case of materials where such values cannot reasonably be determined, the donation is not recorded. Donated professional services are recognized at fair value if the services received (a) create or enhance long-lived assets or (b) require specialized skills, are provided by individuals possessing those skills, and would typically need to be purchased if not provided by donation. The amounts reflected in the accompanying financial statements as in-kind contributions are offset by like amounts included in expenses, capitalized in property and equipment, or an increase in inventory.

The Foundation received the following in-kind contributions for the years ended June 30:

	<u>2017</u>	<u>2016</u>
Equipment and supplies	\$ 35,414	\$ 135,523
Free use of facilities	517,055	127,548
Professional services	<u>62,820</u>	<u>36,168</u>
	<u>\$ 615,289</u>	<u>\$ 299,239</u>

SUNRISE CHILDREN'S FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2017 AND 2016

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Contributed Materials and Services (Continued)

In addition, unpaid volunteers have donated their time to the Foundation's programs. The value of such services has not been reflected in the accompanying financial statements since the volunteers' time does not meet the criteria for recognition as contributed services.

Revenue Recognition

Contributions received are recorded as unrestricted, temporarily restricted, or permanently restricted support, depending on the existence and/or nature of any donor restrictions. All donor-restricted support is reported as an increase in temporarily or permanently restricted net assets, depending on the nature of the restriction. When a restriction expires by a stipulated time restriction lapsing or by the purpose of the restriction having been accomplished, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities as net assets released from restrictions. Donor restricted contributions whose restrictions are met in the same period received are reported as unrestricted support.

Functional Expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the statements of activities and functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited, based on management's estimates.

Income Taxes

In October 1994, the Foundation received notification from the Internal Revenue Service that the Foundation is exempt from federal income tax under Section 501(c)(3) of the Internal Revenue Code and has been classified as a public charity under Sections 509(a)(1) and 170(b)(1)(A)(vi). Therefore, no provision for income taxes is made in the accompanying financial statements.

As defined by ASC Topic 740, Income Taxes, no provision or liability for materially uncertain tax positions was deemed necessary by management. Therefore, no provision or liability for uncertain tax positions has been included in these financial statements.

The Foundation is no longer subject to potential U.S. federal income tax examinations by tax authorities for fiscal years before June 30, 2014.

Advertising

Advertising costs are expensed as incurred. Advertising expense for the years ended June 30, 2017 and 2016 was \$14,372 and \$3,921, respectively.

Less: accumulated depreciation	<u>(460,969)</u>	<u>(1,080,359)</u>
	<u>\$ 1,762,310</u>	<u>\$ 984,798</u>

Depreciation expense for the years ended June 30, 2017 and 2016 was \$268,529 and \$266,275, respectively.

NOTE 4 – LEASE AGREEMENTS

The Foundation has multiple non-cancelable operating leases for EHS, WIC and administrative locations ranging from one to eight years in length and expiring at various times through April 2021, with monthly rent ranging from \$755 to \$16,813 per month. Payments related to optional lease extensions are not included in future minimum lease payments until terms have been agreed to.

Future minimum lease payments are due as follows as of June 30, 2017:

2018	\$ 594,201
2019	476,288
2020	323,048
2021	<u>30,000</u>
	<u>\$ 1,423,537</u>

Total rent expense for the years ended June 30, 2017 and 2016 was \$1,181,498 and \$767,896, respectively, and is included in the caption "Occupancy" on the accompanying Statements of Functional Expenses.

NOTE 5 – COMMITMENTS AND CONTINGENCIES

The Foundation is at times involved in disputes that relate to routine matters incidental to its business. In the opinion of management, the ultimate disposition of these matters will not have a material adverse effect on the Foundation's financial position, results of operations or cash flows.

SUNRISE CHILDREN'S FOUNDATION
NOTES TO THE FINANCIAL STATEMENTS - CONTINUED
JUNE 30, 2017 AND 2016

NOTE 6 – CONCENTRATIONS

For the years ended June 30, 2017 and 2016, approximately 86% and 82%, respectively, of the Foundation's revenue was derived from two federal grants for the EHS and WIC programs. The current level of the Foundation's operations and program services could be impacted or segments discontinued if funding for these programs was not renewed.

NOTE 7 – RETIREMENT PLAN

The Foundation has a defined contribution plan (the Plan) available to all employees who meet eligibility requirements. Employees become a participant in the Plan on the first day of the month following the completion of the eligibility requirements. Through payroll deduction, plan participants contribute elective deferrals up to the maximum amount allowed by law and the Plan. The Foundation can make matching and nonelective contributions to the Plan although they are not required to do so.

NOTE 8 – TEMPORARILY RESTRICTED NET ASSETS

The Foundation has received restricted funds in support of various programs. If the Foundation ceases to operate the federally supported programs the assets purchased with monies from grantors would be given to the succeeding organization. Temporarily restricted net assets are available for the following programs:

	<u>2017</u>	<u>2016</u>
Early Head Start	\$ 1,686,165	\$ 949,754
Women, Infants and Children	170,856	165,314

NOTE 9 – SUBSEQUENT EVENTS

Subsequent events have been evaluated through November 17, 2017, which is the date the financial statements were available to be issued.

COMPLIANCE SECTION

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS*

To the Board of Directors of
Sunrise Children's Foundation

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of Sunrise Children's Foundation (a nonprofit organization) which comprise the statements of financial position as of June 30, 2017 and 2016, and the related statements of activities, functional expenses and cash flows for the years then ended, and the related notes to the financial statements, and have issued our report thereon dated November 17, 2017.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered Sunrise Children's Foundation's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Sunrise Children's Foundation's internal control. Accordingly, we do not express an opinion on the effectiveness of the Foundation's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether Sunrise Children's Foundation's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Foundation's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITORS' REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors of
Sunrise Children's Foundation

Report on Compliance for Each Major Federal Program

We have audited Sunrise Children's Foundation's compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of Sunrise Children's Foundation's major federal programs for the year ended June 30, 2017. Sunrise Children's Foundation's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with federal statutes, regulations, and the terms and conditions of its federal awards applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of Sunrise Children's Foundation's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about Sunrise Children's Foundation's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of Sunrise Children's Foundation's compliance with those requirements.

Opinion on Each Major Federal Program

In our opinion, Sunrise Children's Foundation complied, in all material respects, with the compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2017.

Report on Internal Control over Compliance

Management of Sunrise Children's Foundation is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered Sunrise Children's Foundation's internal control over compliance with the types of requirements that could have a direct and material effect on a major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of Sunrise Children's Foundation's internal control over compliance.

A deficiency in internal control over compliance exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. *A material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis.

A significant deficiency in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purposes.

NOTES TO SCHEDULE OF EXPENDITURES OF FEDERAL AWARDS

Basis of Presentation

The accompanying schedule of expenditures of federal awards (the “Schedule”) includes the federal award activity of Sunrise Children’s Foundation under programs of the federal government for the year ended June 30, 2017. The information in this schedule is presented in accordance with the requirements of Title 2 U.S. Code of Federal Regulations Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance). Because the Schedule presents only a selected portion of the operations of Sunrise Children’s Foundation, it is not intended to and does not present the financial position, changes in net assets, or cash flows of Sunrise Children’s Foundation.

Summary of Significant Accounting Policies

Expenditures reported on the Schedule are reported on the accrual basis of accounting. Such expenditures are recognized following the cost principles contained in the Uniform Guidance, wherein certain types of expenditures are not allowable or are limited as to reimbursement.

Indirect Cost Rate

Sunrise Children’s Foundation has elected to use the 10-percent de minimis indirect cost rate allowed under the Uniform Guidance.
